Re: Beach Dayz at Sodus Point Park
Date: April 14, 2017

The Sodus Point Park Program for the past several years has offered an opportunity for Recreation Programs across Wayne County to take part in interactive activities at the beach. Beach Dayz is once again being offered this summer between July 10th and August 4th. Participants will enjoy summer fun with Sodus Point Park's Lifeguards heading up the activities. You can choose from several recreational activities during your visit in addition to swimming at the Lakeside or Bayside beaches.

The Beach Dayz Program takes place between the hours of 11:15am and 3:00pm. Each program can be either one or two hours in length depending on the Recreation Program's needs.

If you are interested in participating in Beach Dayz, please complete and return the attached application by June 20, 2017. Feel free to call for more information at **315-946-5624**.

Beach Dayz at Sodus Point Park
